

Fujimoto Prize for Best Research Paper

About Fujimoto Prize

The Fujimoto Prize was established in the memory of late Professor Yoshihide Fujimoto, Former Chair, Department of Endocrine Surgery, Tokyo Women's Medical College who was the Founder and the first President of the Asian Association of Endocrine Surgeons. The prize was aimed at encouraging young endocrine surgeons and awarded for the first time during 14th Congress of Asian Association of Endocrine Surgeons held in Srilanka.

Procedure of Award

The award notification is placed at congress portal. Candidates interested to submit abstracts under Fujimoto Prize Award category are supposed to express their interest while submitting the abstract. Total Nine (09) abstracts will be selected by the Scientific Committee for inclusion in this Free Paper Session reserved for Fujimoto Award. Education Committee designated by AsAES HQ will evaluate all the presentations and select three papers for the award which will be presented during the Gala Dinner along with Certificate and Prize money.

Candidates upto 40 years of age would be entertain for award.

Prize Money is awarded from a fund donated by Japanese Endocrine Surgeons
